GLOBAL TRENDS

A TREND THAT MANY YOUNG PEOPLE LOVE NOW

WHAT IS A GLOBAL TRENDS SHOP?

Thrifting or thrift shopping is one of the activities to find and sell used goods that are still suitable for use, and generally these used goods are sought from abroad from the use of other people who have sold or are no longer used. Then these goods are collected by collectors and resold at a certain price.

The goods sold are also varied, such as clothes, pants, jackets, hoodies, hats, shoes, and so on. But no longer trending, so the the price of used goods price is not so expensive varies depending on the and still affordable, but quality and brand obtained by collectors. They target the selling price by following what trends are busy at the time. If at that time it is crowded and many are using these goods, it is not surprising that the price can be exorbitant.

However, there are also some items that are indeed being used but are this thrifting phenomenon is a shocking phenomenon where many collectors make a lot of profit from the sale of these secondhand goods, and it is also an advantage for people who want to buy branded goods but have limitations with budget thrifting.
